

Amy Singer Tuscany Shawl Shawl Materials/Homework list:

Supplies: *No Sheep for You* book

6 circular (40") recommended, 24 stitch markers (simple rings are best).

If you are not going to use the suggested yarns (Handmaiden Silken or Handmaiden Sea Silk), you will need to swatch your yarn before you come to class.

Note: The suggested yarns (Handmaiden Silken or Handmaiden Sea Silk) are not available in San Diego area LYS so if you've none in your stash, you'll need to swatch/substitute.

Please use a needle 1-2 sizes larger than called for on the ball band.

You will to achieve a loose, flowy stockinette, but there should be no visible holes. Whatever size needles produces this fabric with your chosen yarn, please bring those needles to the class.

Homework: Complete up to the end of row 7 in the Tuscany Shawl pattern, ready to start row 8. Don't worry, the shawl starts at the bottom tip of the triangle so row 7 has fewer than 50 stitches.
